

Minister of Finance Mathias Cormann & Treasurer Josh Frydenberg

Federal Government of Australia,

PO Box 6100
Senate
Parliament House
Canberra ACT 2600

Dear Mathias and Josh,

10 November 2018

Could you please include the sum of \$600 million in your next annual budget for the establishment and maintenance of a Ministry of Men just like you have Kelly O'Dwyer as the Minister of Women

Hence you also need to urgently appoint a new Minister as well named "Minister of Men"

This would also enable the Government of Australia from being reasonably accused of discrimination based on sex and facing whatever prosecutions would follow

Kindly acknowledge this email so I don't have to put a copy in the post as well please

Yours faithfully,

Gordon J Dickson AAMINZ, MNZIQS
